

# Oakmere Caravan Park

## July 2019 Newsletter

The good weather is here so plenty of relaxation opportunities in the sun, enjoy it whilst it lasts it is Wimbledon fortnight so sure to rain soon. Cliff Richard needs the practice!

We still have a couple of pegs available for the Fishing match on 20<sup>th</sup> July if anyone is interested. If you wish to take part please put your £10 entry fee into a named envelope and put into the letterbox at the Farmhouse. The evening entertainment will, as usual, be in the top barn and consist of bingo, raffle, quiz and of course the prize winning presentation. Last year we even had a fun dog show, so please bring your dogs and let them enjoy the gathering too. Any contributions for the raffle would be gratefully accepted and help us raise money for Macmillan.

We have cut all the paths down to the back common and towards the village. If you and your dog, children, partner fancy a walk just turn right out of the caravan park and follow the paths down the fields to the back common. Our dogs love it down there and it is a nice safe area for off lead walking. Out of consideration for other walkers may I please ask you to keep the paths clear and use the dog bins provided. The path to the village is down the side of the large metal gate to the bungalow; this route brings you to the dog friendly Drovers Arms, less than a ten minute walk away.

The freezer in the kitchen area of the amenities block is for the use of all, we ask only that your produce is placed in a named bag. If you would make use of this facility this prevents mistakes of food being spoiled as electricity should not be left connected when the caravan is vacant.

Finally, please enjoy your pitch and ensure that you make it comfortable and like home from home. We are still getting grass cuttings, garden prunings dumped in hedge bottoms around the site. PLEASE put them on the compost heap by the barn on the carpark where they can be collected up easily.

*Kind Regards*

*Megan and Tony Patrick and Family*
