

# Oakmere Caravan Park

## June 2019 Newsletter

Remarkably we are heading into June already, lets hope we get lots of sunshine!

With the sunshine we get lots of barbecue time, please may we ask that you are mindful of the grass pitches. If using disposable or ground based barbecues please lift them up sufficiently so that the grass does not get singed or if we are lucky enough for really hot weather ...a grass fire.

Another little ask is that you turn the noise down around your caravan, awning, barbecue by 11pm please. We are a very peaceful site and sound carries so easily that it is sometimes not realised how your music, laughter, chatter can travel. Party all night but please do it with your windows closed and the volume down so we can all enjoy a relaxing break.

Unfortunately, the good weather also brings the bugs and biters back out. A little tip is to sprinkle the area where you are sitting with a little ground cinnamon or hang up cinnamon sticks in your awnings, trees etc. Apparently bugs and particularly mosquitos do not like cinnamon so will hopefully go elsewhere. When fishing or walking around the lakes use insect repellent and reduce your tastiness!

Fishing match entries are now open for the July 20<sup>th</sup> Match. If you wish to take part please **put your £10 entry fee into a named envelope and put into the letterbox at the Farmhouse.**

**Finally a plea...**Strictly no dogs at any time around the fishing lakes. We are still being advised and seeing traces that dogs are being taken around the lakes. If you see someone with a dog, please, please ask them to take the dog away. We have lots of lovely wildlife down there, it is a sanctuary for the farm cats and there are signs but still dogs are being brought onto the lakes. If dogs are spotted confined in cars at the Fishing lake carpark or anywhere on site please let us know as Dogs die in hot cars!

*Kind Regards*

*Megan and Tony Patrick and Family*

# Whats on
