

Oakmere Caravan Park

May 2019 Newsletter

The month of Bank holidays is here, we always love a long weekend, hopefully with some sunshine!

Our new website has finally gone live! It isn't the finished product, still some tweaking and alterations needed but at least we are back on the World Wide Web. Take a look and let me know your thoughts... we always appreciate your constructive feedback. Two new email addresses are also available enquiries@oakmerecaravanpark.co.uk and bookings@oakmerecaravanpark.co.uk please feel free to use them should you wish to get in touch. The Facebook page and messenger are unchanged by the new website and will still be available for contact.

We hope you have all settled back into the season here at Oakmere, many of you have enjoyed tidying and planting up your pitches which is great to see. We ask that no grass cuttings or garden waste are left at the lake entrances or around the Caravan Park. The compost heap is presently at the side of the barn at the top of the fishing lake carpark which you are most welcome to use. Any heavy pruning or felling of trees/shrubbery required on site should be brought to the attention of the management and not just cut down please. The land here is very sandy and much of the planting has been done with a view to ensuring stability and protection of the caravan park.

We also ask that you recycle wherever possible please. Over Easter endless bags filled with cans and bottles had to be sorted out and put into the recycling. If cardboard boxes could be flattened this too would make things easier, thank you. The Recycling centre is located in the Fishing Car park and is clearly labelled for the ease of recycling as much as possible.

Fishing match entries are now open for the July 20th Match. If you wish to take part please **put your £10 entry fee into a named envelope and put into the letterbox at the Farmhouse**. Due to retirement we have some vacancies on the Fishing Match Committee. An interest in fishing the match is not necessary as the evening presentation and organisation around the match require a multitude of effort so anyone who could spare a few hours a couple of times a year would be gratefully received and would give a huge boost to our charitable efforts.

Visitors to the site regularly comment upon the open friendly atmosphere on site and this is one we hope may always continue. We hope that any problems or requests for assistance are dealt with satisfactorily and quickly. Please, if there is anything further that we can do to make your time on site more comfortable, don't hesitate to let us know.

Kind Regards

Megan and Tony Patrick and Family
